IDENTIFYING AND SUPPORTING CARERS

Carers are often hidden in our communities, unaware of the support and help that may be available to them.

Join **We Care You Care** (a project in South Tees, providing information to Carers and Professionals) for a one hour session to find out how to identify carers and support them to access local support services in Teesside.

When: Wednesday 12th June 2024, 1pm - 2pm

Where: Microsoft Teams

Lets work together this Carers Week to highlight the challenges carers face and help them to access the support they deserve.
